

November 2021

To: Salt Lake City Mayor and the Salt Lake City Council

PETITION

We have signed this petition below as residents of Salt Lake City residing on Military Drive and on Diestel Road with our properties abutting Miller Park and as residence who have paid a surcharge assessment in property taxes for the amenity of living adjacent to Miller Park,

As said residents we petition Salt Lake City, through our Mayor and City Council, to restore and reestablish the location of the creek side pathways on the Northern end of park to their previous 2014 well used, valued and well established location closer to and more immediately adjacent to Red Butte Creek at its location at the Northern end of Miller Park. In doing so we also petition Salt Lake City to remove and remediate the pathway and path stairway created in 2015 at the Northern end of the park.

Thirdly, we petition our city to stop and curtail the removal of mature, healthy trees in Miller Park.
